2005-335-T

Jocelyn and Janice,

Please see the below from Carole Chauvin regarding the above referenced carrier. I cannot copy Mr. Harmon with this as he has no e-mail but as indicated by Carole below he has been contacted by our office regarding this matter already. In short, despite the fact that Mr. Harmon was not on the Exhibit (Revised Exhibit A, Hearing Exhibit 2) attached to the Final Order in this RTSC case, his certificate was somehow cancelled. I suspect that Mr. Harmon's certificate was cancelled due to the fact that his name was removed from the Exhibit/list of out-of-compliance carriers just the day before the hearing.

In any event, we have acted to correct the matter here and would ask that the PSC please remove the postmark on DMS in Docket 2005-335-T which incorrectly indicate that this certificate was cancelled.

Please contact me if you have any questions.

Subject: Paul H. Harmon, Jr. DBA DT Taxi - Docket No. 2005-335-T

Hi Jeff,

The Class C Taxi Certificate for Paul H. Harmon, Jr. DBA DT Taxi - Docket No. 2005-335-T was mistakenly revoked by the Public Service Commission on 10/7/10. Mr. Harmon called yesterday because he did not receive decal renewal forms for the First Half Year 2011 enforcement period. I explained that he didn't receive renewal forms because his certificate was revoked by an order resulting from a Rule To Show Cause for Non-payment of decal fees for Last Half Year 2010. Mr. Harmon pointed out that ORS had mailed him a decal sticker for that enforcement period. After researching this matter, I found that he was correct. I looked up the Revised Exhibit A submitted at the RTSC hearing on 9/29/10 (Order No. 2010-674) and his name was NOT on the list of carriers still out of compliance.

Our department will take care of removing the "REVOKED" information stamped on his certificate and I will be sending Mr. Harmon forms to renew his vehicle. I need to know what should be done about getting this corrected on the PSC's website, the database, etc. I'm not sure but I think the PSC must correct the database and this needs to be done ASAP so the carrier's certificate status is "Active" , otherwise he won't get a decal sticker.

Thanks for your help!
